SUPERFOODS

Felicia's next-generation pet foods are enriched not only with collagen but also with nature's most powerful superfoods. Each ingredient is carefully selected and scientifically formulated to meet the specific needs of our beloved companions.

Because their health is not supported by protein alone — it's completed with essential vitamins, minerals, and functional nutrients!

Quinoa: A rich source of protein, fiber, magnesium, and vitamins B1 and E. Supports heart health, the nervous system, muscle development, and metabolism; strengthens skin and coat health

Jerusalem Artichoke: As a natural source of prebiotic inulin, it supports gut flora and immunity, and contributes to digestive and bone health.

Linseed: Packed with Omega-3 fatty acids, it supports skin and coat health, strengthens the immune system, and aids digestion.

Pomegranate: Rich in powerful antioxidants, it supports digestion and immune function, promoting vitality and energy.

Turmeric: With its natural antioxidant and anti-inflammatory properties, it supports joint health, immunity, and digestion; helps protect cells and reduce signs of aging.

Asparagus: High in fiber and vitamins A, C, E, and K, it supports gut and immune health, aids cell regeneration, and contributes to urinary tract health.
